HAPPY NEW YEAR!!!

Well, we are another year older, smarter, better... whatever fits your need or disposition. Either way, let's welcome **2020** with an open mind and willingness to learn and be happy.

Two very important meetings are coming up – one on January 14 and one on February 11. I would like to encourage all of you to attend them both in big numbers to work on and subsequently amend our CC&Rs. In a few days I will e-mail all of you a draft of the proposed changes so you would have a chance to review the paperwork ahead of the January meeting where we'll discuss the amendments. Bring any and all ideas and suggestions with you.

In the meantime, our subdivision population grew by one (1) new resident – just before Christmas John and Kelsie Bengel had a little baby boy, Watson – CONGRATULATIONS!!!

As a side note – does anyone know what happened to the metal logo sign that was purchased by the SCRPOA in 2011. It was apparently paid for and delivered to us. Perhaps it could be eventually incorporated in to the design of our front entrance once we will get ready to work on it.

So, that should be all for right now. Enjoy the Texas winter and I hope to see you all at the meeting.

Martin Petrik
